## **Bogeyman** By Steve Jackson

A WildBlue Press original true crime story from the New York Times bestselling author of *MONSTER* and *NO STONE UNTURNED*, describing in dramatic detail and with heart-rending poignancy the efforts of tenacious Texas lawmen to solve the cold case murders of three little girls and hold their killer accountable for his horrific crimes.

From the book: "For years he'd stalked elementary schools and playground looking for young girls from low-income neighborhoods to abduct, rape and murder. He thought of them as "throwaway kids"--hardly missed, and soon forgotten, except by those who loved them. He was ever parent's worst nightmare. The bogeyman they warned their children about ... the fiend who lurked outside bedroom windows."

*"Absorbing and haunting! BOGEYMAN spills creepily across the page with Steve Jackson's hellacious verve and insight, reminding us there are few better explorers of the American berserk."* --**Ron Franscell**, bestselling author of THE DARKEST NIGHT

*"Steve Jackson's latest, BOGEYMAN, reveals a living, breathing nightmare that haunted parents, as well as detectives. Be sure to add it to your reading list if you're a fan of true crime books."* **Aaron Habel**, host of Generation Why Podcast

*"Jackson writes deeply... It's all in BOGEYMAN, a fascinating, well-paced read about the lows and highs of cold case investigations."* --bestselling author and forensic psychologist **Katherine Ramsland** in Psychology Today.

*"After having read his riveting MONSTER non-stop, I didn't see how Steve Jackson could top Steve Jackson with BOGEYMAN. I can't say he has, as they are both equally riveting. In BOGEYMAN, he doesn't so much focus on the monster he calls "the darkness," but on the fine detectives who made it their life mission to put an end to his reign of terror. I highly recommend both fine works!"* - **Diana Montane**, bestselling co-author of MISSING & PRESUMED DEAD.

#### From the Author

I think what made BOGEYMAN unique for me as a writer wasn't the killer's story, or even the exceptional detective work that went into bringing David Penton to justice. The book gives us a poignant and powerful inside look at the emotional, psychological and physical toll a case like this has on the men and women of law enforcement, as well as on their families; those usually unseen, and rarely revealed, stories of courage, faith and sacrifice on behalf of the victims, the victims' families, and their communities.
