Cronopios and Famas By Julio Cortázar, Julio Cortazar

***Cronopios and Famas* is one of the best-loved books by Julio Cortázar, one of the greatest of Latin American novelists.**

"The Instruction Manual," the first chapter, is an absurd assortment of tasks and items dissected in an instruction-manual format. "Unusual Occupations," the second chapter, describes the obsessions and predilections of the narrator's family, including the lodging of a tiger-just one tiger- "for the sole purpose of seeing the mechanism at work in all its complexity." Finally, the "Cronopios and Famas" section delightfully characterizes, in the words of Carlos Fuentes, "those enemies of pomposity, academic rigor mortis and cardboard celebrity-a band of literary Marx Brothers." As the *Saturday Review* remarked: "Each page of *Cronopios and Famas* sparkles with vivid satire that goes to the heart of human character and, in the best pieces, to the essence of the human condition."

Editorial Review

Review

Anyone who doesn't read Cortazar is doomed. Not to read him is a serious invisible disease which in time can have terrible consequences. Something similar to a man who has never tasted peaches. He would quietly become sadder . . . and, probably, little by little, he would lose his hair. -- *Pablo Neruda*

About the Author

Julio Cortázar (1914-1984), Argentine novelist, poet, essayist, and short-story writer, was born in Brussels, and moved permanently to France in 1951. Cortazar is now recognized as one of the century's major experimental writers, reflecting the influence of French surrealism, psychoanalysis, and his love of both photography and jazz, along with his strong commitment to revolutionary Latin American politics.

Users Review

From reader reviews:

James Senters:

In this 21st hundred years, people become competitive in each and every way. By being competitive now, people have do something to make all of them survives, being in the middle of typically the crowded place and notice by means of surrounding.
