Dove Exiled (The Dove Chronicles) By Karen Bao

The thrilling sequel to *Dove Arising*, featuring "a brilliant new YA heroine in a world of true science fiction." (Bustle.com)

Phaet Theta is a fugitive. Hiding in plain sight with her friend Wes's family on the drowned planet Earth, Phaet discovers the rugged beauty of the world her ancestors once called home. All her life, she's been taught to fear the "Earthbound," and their generosity and kindness surprise and touch Phaet.

But when the Lunar Bases attack Wes's isolated village, Phaet's past catches up with her, and she's forced to choose: stay on Earth and fight beside the boy she's falling for, or stow away on a Moon-bound ship so she can save her brother and sister from the government that killed their mother.

This dramatic follow-up to *Dove Arising* plunges readers deeper into a complex and haunting world where freedom comes at a chilling price.

From the Hardcover edition.

Editorial Review

From School Library Journal

Gr 7 Up—When readers last saw Phaet in *Dove Arising* (Viking, 2015), she was fleeing the Moon in order to escape its controlling and dangerous ruling authority, the Committee. Now, Phaet finds herself in exile on Earth, forced to hide her true identity. She is miserable, desperate to find a way to return home and save her young siblings from the wrath of the Committee. She soon finds her opportunity when war breaks out on Earth. It becomes clear that the Committee's power has spread so far that even Earth can no longer escape its influence. Upon her return to the Moon, Phaet is surprised to discover that she has become a symbol of a burgeoning revolution: the "Girl Sage" who stood up to the Committee. The ending sets the stage nicely for the action that is to come in the next installment. Bao has employed a multitude of familiar young adult speculative fiction tropes here, including a controlling and immoral government, a reluctant heroine, and a guilt-ridden love triangle. While the first volume primarily focused on Phaet's militia training, this one steers more toward romance and the building of new alliances. Despite this emphasis on relationships, however, the characterization falls flat, with the main love interest reading more like the concept of the perfect boy than as a real person. Luckily, there is still plenty of action to keep readers intrigued. VERDICT Bao's second effort is not quite as original as her first but should still appeal to teens who enjoy predictable speculative fiction with a dose of romance.—Liz Overberg, Zionsville Community High School, IN

Reviews for *Dove Exiled*:

"Phaet is an engaging character, with whom the readers should readily identify."—VOYA

"Plenty of action to keep readers intrigued."—*School Library Journal*

Raves for the Dove Chronicles:

"Karen Bao is an incredibly talented young writer. Beautiful prose and one of the most interesting main characters I've read. *Dove Arising* marks the debut of a promising new talent. I loved the story, and I can't wait to read more!" —**Christopher Paolini**, *New York Times* bestselling author of *Eragon*

"Newcomer Bao's off-world setting and world-building details are intriguing."—*Publishers Weekly*

"Characters are well developed, especially strong-willed Phaet, and an even pace will keep teens turning pages. Fans of Orson Scott Card's *Ender's Game*, Veronica Roth's *Divergent* and Marie Lu's *Legend* should flock to this well-written debut effort by 19-year-old Bao." —*School Library Journal*

"Until just recently, the number of formidable young adult authors who got published before they were out of their teens was extremely small: Christopher Paolini and Isamu Fukui. Well, it is time to make room for a third name in this elite list: Karen Bao." —VOYA

"The 20-year-old Bao writes a brilliant new YA heroine in a world of true science fiction." —Bustle.com

"Phaet is a compelling, 'do what needs doing' kind of girl, and her desperation to succeed and secure her family's future is palpable...Revelations at the end pave the way for a sequel."—Booklist.com

“Fans of *The 5th Wave*, *Divergent*, and *Legend* will love this smart, futuristic thriller.” —*Justine*
