Level Up: A Geek Romance Rom Com, Book 1 (Fandom Hearts) By Cathy Yardley

Geeky introvert Tessa Rodriguez will do whatever it takes to get promoted to video game engineer– including create a fandom-based video game in just three weeks. The only problem is, she can't do it alone. Now, she needs to strong-arm, cajole, and otherwise socialize with her video game coworkers, especially her roommate, Adam, who's always been strictly business with her. The more they work together, though, the closer they get...

Adam London has always thought of his roomie Tessa as “one of the guys” until he agreed to help her with this crazy project. Now, he's thinking of her all the time... and certainly as something more than just a roommate! But his last girlfriend broke up with him to follow her ambitions, and he knows that Tessa is obsessed with getting ahead in the video game world.

Going from friends to something more is one hell of a challenge. Can Tessa and Adam level up their relationship to love?
