The characters are indeed outstanding! There are million different little things that I loved about each one and about all of them together as a team.~ Mia's Point of View

"Ms. Sanders blew me away with her third novel. "Reed's Reckoning" isn't your typical football jock meets weak heroine and then they have their happily-ever-after. Not by a longshot. Reed and Ari have depth, they feel real. Their turbulence touches you in a way that you can't put the book down. It pulls you in and you find yourself turning the pages almost before you read the last word on the page. This a story of love, love lost, and hopefully finding the way back to that one person you want to spend the rest of your life with." -- Anna G. Coy, AGC Editing and Services
