Wittgenstein: Opening Investigations By Michael Luntley

In this provocatively compelling new book, Michael Luntley offers a revolutionary reading of the opening section of Wittgenstein's *Philosophical Investigations*

- Critically engages with the most recent exegetical literature on Wittgenstein and other state-of-the-art philosophical work
- Encourages the re-incorporation of Wittgenstein studies into the mainstream philosophical conversation
- Has profound consequences for how we go on to read the rest of Wittgenstein's major work
- Makes a significant contribution not only to the literature on Wittgenstein, but also to studies in philosophy of language

Editorial Review

Review

“Despite apparently underplaying the importance of the Tractatus in the genesis of the later philosophy, though, Luntley’s book is a very valuable challenge to any complacency we may feel about how to interpret the opening paragraphs of Wittgenstein’s great unfinished masterpiece.” (*Philosophical Quarterly, Advanced Access*, 18 December 2016)

From the Inside Flap

In this compelling new book, Michael Luntley offers a revolutionary interpretation of the opening section of Wittgenstein’s *Philosophical Investigations*. Luntley’s reading challenges the prevailing view that there is a grand sweep to Wittgenstein’s enterprise and marks a major departure from standard arguments about the nature of language, meaning, ostensive definition, and normativity. *Opening Investigations* introduces an improvisational conception of language use and posits that understanding language is more akin to the open-endedness of aesthetic judgment.

In defense of his argument, Luntley provides close readings of the primary text alongside critical engagement with the most recent literature on Wittgenstein and other contemporary philosophical work. Written in accessible and engaging prose, *Opening Investigations* makes a powerful case for re-integrating Wittgenstein studies into contemporary philosophical debates. This book is sure to provoke lively debate among Wittgenstein scholars and will be of great interest to anyone studying Wittgenstein’s work.

From the Back Cover

“Michael Luntley’s provocative study of *Philosophical Investigations* challenges some prevalent basic assumptions concerning the orientation provided by the work’s opening sections. It will profit anyone with an interest in Wittgenstein.”

Adrian Moore, *University of Oxford*

“An original, radical, and iconoclastic reading of the *Philosophical Investigations*.”

David Stern, *University of Iowa*

Users Review

From reader reviews:

Eric Campbell:

In this 21st millennium, people become competitive in most way. By being competitive currently, people have do something to make these survives, being in the middle of typically the crowded place and notice simply by surrounding. One thing that sometimes many people have underestimated the item for a while is reading. Sure, by reading a e-book your ability to survive boost then having chance to stand than other is high. For you personally who want to start reading some sort of book, we give you that Wittgenstein:

Opening Investigations book as nice and daily reading e-book. Why, because this book is usually more than just a book.

Daryl Biddle:

Information is provisions for individuals to get better life, information presently can get by anyone on everywhere. The information can be a knowledge or any news even a huge concern. What people must be consider while those information which is inside the former life are challenging to be find than now could be taking seriously which one would work to believe or which one the resource are convinced. If you obtain the unstable resource then you obtain it as your main information you will see huge disadvantage for you. All of those possibilities will not happen within you if you take Wittgenstein: Opening Investigations as your daily resource information.

Joseph Wilson:

Are you kind of stressful person, only have 10 or 15 minute in your day to upgrading your mind skill or thinking skill even analytical thinking? Then you have problem with the book in comparison with can satisfy your limited time to read it because pretty much everything time you only find publication that need more time to be read. Wittgenstein: Opening Investigations can be your answer because it can be read by you actually who have those short time problems.

Bobby House:

With this era which is the greater particular person or who has ability to do something more are more special than other. Do you want to become considered one of it? It is just simple solution to have that. What you must do is just spending your time little but quite enough to possess a look at some books. One of several books in the top list in your reading list is actually Wittgenstein: Opening Investigations. This book which is qualified as The Hungry Inclines can get you closer in growing to be precious person. By looking up and review this guide you can get many advantages.
