Annotations to Finnegans Wake By Professor Roland McHugh

The biggest stumbling block facing any prospective reader of "Finnegans Wake" is the book itself, with its thousands of words of Joyce's inventions, derived from nearly every foreign language imaginable and from a host of other sources. Now extensively revised, expanded, and corrected, Roland McHugh's "Annotations" is a unique one-volume guidebook designed to be read side by side with the "Wake" itself.

Editorial Review

Review

"Unravels the mysteries of James Joyce." -- Herbert Mitgang, New York Times

Review

Unravels the mysteries of James Joyce.

(*New York Times*)

A daunting and delightful book.

(*Modern Fiction Studies*)

All readers who contemplate any exegetical move whatsoever in the *Wake* must put the revised *Annotations* on the top of their pile of reference books.

(*James Joyce Quarterly*)

McHugh remains admirable for his collection.

(Tim Conley *James Joyce Quarterly*)

It is hard to think of any reader of *Finnegans Wake* who would not have Roland McHugh's *Annotations...* on his desk.

(*James Joyce Literary Supplement*)

I don't think we still have readers such as Roland McHugh who read the *Wake* without any help: most novices read the *Wake* in one hand and McHugh's *Annotations* in the other.

(*A Collideorscape of Joyce*)

About the Author

Roland McHugh has been studying *Finnegans Wake* since 1965. In 1973 he moved to Dublin with a view to understanding the book more completely and has lived there ever since. His book, *The Sigla of "Finnegans Wake,"* was described by Clive Hart as "the best book on *Finnegans Wake* yet written."

Users Review

From reader reviews:

Bobby Tremblay:

Reading a e-book tends to be new life style on this era globalization. With studying you can get a lot of information which will give you benefit in your life. Using book everyone in this world can certainly share their idea. Ebooks can also inspire a lot of people. Lots of author can inspire all their reader with their story or even their experience. Not only situation that share in the books. But also they write about the knowledge about something that you need instance. How to get the good score toefl, or how to teach children, there are many kinds of book which exist now. The authors nowadays always try to improve their proficiency in writing, they also doing some study before they write to the book. One of them is this Annotations to Finnegans Wake.

Rosalie Dietrich:
