Just One Kiss (Fool's Gold Book 11) By Susan Mallery

He won't hesitate to put his life on the line...but will he ever risk his heart?

Falling for Justice Garrett was a high point in Patience McGraw's otherwise awkward adolescence. Even after he disappeared, Patience never forgot the boy who captured her heart. Now he's back in Fool's Gold, California, and her passion for him is as strong as ever. But how can she trust that he won't abandon her again—and her daughter, too?

When bodyguard Justice Garrett was a young man, witness protection brought him to this idyllic town and he never forgot its warmth, or the sweet beauty of his childhood friend. He's returned to open a defense academy, and the Patience he once knew is all grown up. He can't resist her smile, or her curves. But Justice's past doesn't make him husband, or father, material.

Patience and Justice think they'll succumb to just one kiss... Then one more... Okay, just one night together. But they might learn that falling in love is beyond anyone's control.

If you're a fan of Fool's Gold, you'll love Ana Raquel and Greg's delicious romance, featured in *Susan Mallery's Fool's Gold Cookbook*, along with her favorite recipes from the land of happy endings.

Amazon Editorial Review of *Just One Kiss*

Just One Kiss will leave you wanting more...

Susan Mallery's *Fool's Gold* series focuses on an all-American small town, full of quirky characters, close friendships, and busy bodies. This setting makes for a sweet and cozy romance that you can sink into instantly, surrounded by loving families and loyal friends.

Just One Kiss is the first in a new cycle of *Fool's Gold* books focusing around a group of former military special forces members, a few with previous connections to the town, who move in to start a bodyguard academy and corporate retreat called CDS. We begin with Justice Garret, a former soldier and private bodyguard who once lived in the town while in witness protection as a teenager. During the brief year he spent posing as a 16 year-old high school student instead of the 18 year old graduate he was, Justice befriended 14 year-old Patience McGraw.

Before their relationship could move beyond friendship, Justice's father was spotted in town and he was forced to flee, leaving without explanation. The town searched for the missing boy but never found answers.

Fourteen years later, Patience is a single mother with a 10 year old daughter, working at the town salon and dreaming of opening her own coffee shop. Abandoned by her husband only weeks after her daughter Lillie was born, Patience is used to fending for herself. She's never forgotten the boy her 14 year-old self was so desperately in love with but never heard from again. Needless to say, she's shocked when he walks into her salon and back into her life, informing her of his plans to open a bodyguard academy in the town.

Teens Patience McGraw and Justice Garrett are best of friends, and their relationship is blossoming into something more. Then one day, Justice disappears without a trace. Years pass, and Patience is a single mom caring for her mother, who has a debilitating disease. Then Justice returns unannounced to Fool's Gold, California. He claims that he was forced to leave their small town despite his strong objections because he was taken into the witness protection program after his father, a brutal criminal, threatened to kill him. Now, Justice wants to open a security training school in Fool's Gold. Once again, Patience is drawn to Justice, but she doesn't know if he's the same boy she fell for when she was a teen. For that matter, what guarantee does she have that he won't disappear again? Mallery's story is packed with emotion. Readers will identify with her carefully crafted characters. *Just One Kiss* is the new book in Mallery's *Fool's Gold* series. --Shelley Mosley
