### Royal Chase (The Royals of Monterra Book 2) By Sariah Wilson

Booking her client, Prince Dante of Monterra, on reality show *Marry Me* is a royal coup for PR agent Lemon Beauchamp. But thanks to a last-minute glitch, Lemon must pretend to be one of the contestants vying to win the playboy prince's love and then live happily ever after—at least until the publicity tour ends.

Prince Dante agreed to go on the show to find a wife, even though he already has the perfect candidate in mind. She's smart, funny, sexy, and completely uninterested in wealth and fame. She's also absolutely determined to keep him at arm's length.

Even if Lemon weren't already engaged, she can't trust a notorious flirt like Dante. So she ignores the lingering looks. Those subtle, thrilling touches. That pulse-quickenning kiss. Until suddenly, Lemon isn't playing for the cameras. She's lovestruck for real, and just maybe, the man behind the title is the one who's always been in her heart...

## **Editorial Review**

### Review

“This book is straight-up fun. Fans of ABC’s *The Bachelor*, Rachel Hauck’s Royal Wedding series, Amy Matayo’s *The Wedding Game* and anyone who has a craving for rom-com or royal romance will adore this novel. Grab it!” —*USA Today’s Happy Ever After*

### About the Author

Sariah Wilson has never jumped out of an airplane, never climbed Mount Everest, and is not a former CIA operative. She has, however, been madly, passionately in love with her soul mate and is a fervent believer in happily ever afters—which is why she writes romance. *Royal Chase* is her sixth happily-ever-after novel. She grew up in Southern California, graduated from Brigham Young University (go Cougars!) with a semi-useless degree in history, and is the oldest of nine (yes, nine) children. She currently lives with the aforementioned soul mate and their four children in Utah, along with three tiger barb fish, a cat named Tiger, and a recently departed hamster that is buried in the backyard (and has nothing at all to do with tigers).
