Summerkin (Winterling Book 2) By Sarah Prineas

Summerkin, the second book in award-winning author Sarah Prineas's fantasy-adventure series that begins with *Winterling*, follows Fer, a young healer and warrior who's fought to become the Lady of the Summerlands and now faces the task of ruling over a magical people in an enchanted realm.

Although Fer defeated the Mor, the evil, false Lady who terrorized the Summerlands, there are still those who do not trust her. To prove herself, Fer, aided by her deep connection to the natural world and her healing arts, enters a challenging contest. If Fer fails, she will lose her land and the realm will be closed to her forever.

Sarah Prineas combines a brave and resourceful young heroine with a richly detailed fantasy world and beloved folklore into a story that will delight middle-grade fans of Diana Wynne Jones, Ingrid Law, and Rick Riordan.

Editorial Review

From School Library Journal

Gr 4-6—In this sequel to *Winterling* (HarperCollins, 2012), Fer discovers that being the daughter of the deceased Lady of the Summerlands and vanquishing an evil usurper isn't enough to live happily ever after. Called back from the human world where she lives with her grandmother to the world beyond the Way, the girl discovers that her half-human heritage means that she must prove to the High Ones that she is worthy of being Lady of the Summerlands. She travels to the court of the High Ones with a small retinue that includes her possibly untrustworthy puck friend, Rook. There, she learns that she must compete against three other candidates for the right to be ruler. As Fer tries to win over the disdainful High Ones while remaining true to her convictions, Rook makes things worse by behaving suspiciously. Is he truly a trickster with no loyalty, as Fer's disturbingly beautiful opponent Aren insists? Deciding whom to trust becomes a life or death decision for Fer. This is a solid fantasy with enough suspense, action, magic, and warmth to keep readers happily entertained from the first page to the last. Both Rook and Fer stand out as interesting, well-drawn characters. A must for fans of the first title, the story also stands on its own and will be appreciated where high fantasy is in demand.—Eva Mitnick, Los Angeles Public Libraryα(c) Copyright 2013. In *Winterling* (2012), Fer defeated the Mor to become Lady of the Summerlands. In this follow-up, she defends her claim while struggling to determine how to rule and whom she can trust. The story of her puck friend Rook is explored more fully as he wrestles with competing loyalties to his brother pucks and Fer. Summoned by the High Ones, Fer must compete for the title of Lady of the Summerlands. What price is she willing to pay to win? Is it worth going against her convictions or ignoring a chance to heal someone in pain? This solid sequel will please fans of the first and, once again, they'll root for the strong female character. Grades 5-8. --Suzanne Harold

From the Back Cover

Down through the Way she fell, feeling the wind and the pressing darkness, the dizzy thump when she landed on the bank. She was through. The air felt softer here, the shadows deeper—and the pull of her connection to the land settled into her bones.

In the Summerlands, time moves slowly, roots grow deeply, and change is not welcomed. But change is needed.

After defeating the wicked Mor and freeing her kin from deadly oaths made to this false ruler, Fer is now the rightful Lady of the land. Yet her people don't know what to make of their new Lady's strange ways, and neither do the High Ones, the rulers of the magical realm, for Fer is an outsider—half human.

To prove herself worthy of the Summerlands crown, Fer is summoned to compete in an epic contest where her strengths and skills will be tested and her loyalties challenged. Can she trust Rook, the puck she calls friend? Can she trust herself? If Fer fails, she will lose her land and the Way will be closed to her forever.

With stunning prose, Sarah Prineas weaves an enchanting adventure in which Fer must decide if she's ready to rule and just how far she'll go to protect her kin.

Users Review

From reader reviews:

Jena Alvarez:

This book untitled Summerkin (Winterling Book 2) to be one of several books in which best seller in this year, honestly, that is because when you read this guide you can get a lot of benefit upon it.
