The Essential Career Guide to Becoming a Middle and High School Teacher

By Robert W. Maloy, Irving Seidman

Throughout the country, a growing number of college students, recent college graduates, and mid-career adults are thinking about becoming teachers. Teaching in middle and high schools combines a lifelong pursuit of learning, a long-held dream of joining a field that they respect, a chance to work with young people, and an opportunity to make a difference in society.

The Essential Career Guide to Becoming a Middle and High School Teacher offers a step-by-step guide to preparation, certification, and employment as a teacher. It provides guidance about issues and choices facing prospective educators, including making the decision to teach, assessing the differences between middle schools and high schools, identifying an excellent teacher education program, understanding alternative pathways to certification, taking state-mandated teacher tests, succeeding as a student teacher, and finding a first job in the profession. A complete state-by-state listing of programs, including current *U.S. News & World Report* Top Fifty rankings and certification requirements rounds out this valuable guide.

Editorial Review

Review

“...[I]t is difficult to imagine a more thorough and insightful guide to the teaching profession than The Essential Career Guide to Becoming a Middle and High School Teacher...[It] is not just another career guide to job opportunities in education. With its thought-provoking discussion of the issues and choices facing educators today, this book is a must-read for those considering a secondary school teaching career and deserves a place in most academic and large public library career collections.”–Education Book Review - MSU

“This is an engaging and informative career guide written with clarity, integrity, vitality, and an understanding of the real world of teaching and what it requires to become a good teacher.”–Gerald J. Pine Professor of Education, Boston College

“Distilled from their fifty years of experience in teaching and teacher education and supported judiciously by current research, Robert Maloy and Irving Seidman have written a wise, concise, and practical guide for prospective teachers.”–John Gabriel Assistant Professor, School of Education, DePaul University

“The professional jewels outlined by Maloy and Seidman are both profound and pragmatic for prospective teachers....This book is a veritable teaching yellow pages with a vast array and balance of paradigms and experiences that validate its authenticity.”–Sean S. Warner Assistant Professor, Department of Curriculum & Instruction School of Health, Education & Human Development, Clemson University

“A clear and up-to-date presentation of issues and questions confronting students who are considering or engaged in preparation for a career as a secondary teacher. It is an essential guide for academic advisors helping students make informed and reasoned decisions.”–Donna Lynch Director of Academic Advising and Enrollment Services, Trinity College, D.C.

Users Review

From reader reviews:

Margaret Hall:

Nowadays reading books be a little more than want or need but also become a life style. This reading habit give you lot of advantages. Advantages you got of course the knowledge the particular information inside the book in which improve your knowledge and information. The knowledge you get based on what kind of

guide you read, if you want get more knowledge just go with knowledge books but if you want truly feel happy read one using theme for entertaining like comic or novel. The actual The Essential Career Guide to Becoming a Middle and High School Teacher is kind of guide which is giving the reader erratic experience.

Sandra Byrom:

Beside that The Essential Career Guide to Becoming a Middle and High School Teacher in your phone, it could give you a way to get nearer to the new knowledge or info. The information and the knowledge you can get here is fresh through the oven so don't be worry if you feel like an previous people live in narrow town. It is good thing to have The Essential Career Guide to Becoming a Middle and High School Teacher because this book offers for your requirements readable information. Do you occasionally have book but you don't get what it's about. Oh come on, that will not happen if you have this inside your hand. The Enjoyable option here cannot be questionable, similar to treasuring beautiful island. Techniques you still want to miss the item? Find this book as well as read it from today!

Leslie White:

Is it a person who having spare time subsequently spend it whole day by simply watching television programs or just lying down on the bed? Do you need something new? This The Essential Career Guide to Becoming a Middle and High School Teacher can be the answer, oh how comes? The new book you know. You are so out of date, spending your time by reading in this fresh era is common not a nerd activity. So what these books have than the others?

Terry Klatt:

As a college student exactly feel bored in order to reading. If their teacher inquired them to go to the library or make summary for some guide, they are complained. Just very little students that has reading's soul or real their pastime. They just do what the educator want, like asked to the library. They go to right now there but nothing reading seriously. Any students feel that examining is not important, boring and also can't see colorful photographs on there. Yeah, it is to become complicated. Book is very important in your case. As we know that on this period, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. So , this The Essential Career Guide to Becoming a Middle and High School Teacher can make you experience more interested to read.
