But further along the coast lies the Amulet of Truth, the only thing powerful enough to force the Shadowmasks back and contain their dark magic. So, together with Gryff, the wildcat that's always by her side, and her best friends Alfie and Sid, Moll must sneak past smugglers, outwit mer creatures and crack secret codes to save the Old Magic.

With more at stake than ever before and the dark magic rising fast, can Moll and her friends stop the Shadowmasks before it's too late?

This is most definitely a story that makes the reader care. Amongst the excitement there was sadness too but the book ends with a feeling of hope and a wish to find out what the future holds for Moll and her friends. A fabulous and breath taking story and highly recommended.
(Bookbag)

It's full of dark magic spells both old and true with a battle of fantasy goodness all played out in the rugged backdrop of the outdoor coast. Full of immersive action and great characters, this book will have you engrossed until the very last page.
(Mr Ripley's Enchanted Books blog)

With dastardly smugglers, sinister villains and magical beings Abi keeps the reader captivated throughout. It manages to weave a spell over you so that you get lost in the words and the lives of the characters.
