The Wicked Deeds of Daniel Mackenzie (Mackenzies Series Book 6) By Jennifer Ashley

SECOND SIGHT AND SEDUCTION...

Daniel Mackenzie lives up to the reputation of the scandalous Mackenzie family—he has wealth, looks, and talent, and women love him. When he meets Violet Bastien—one of the most famous spiritual mediums in England—he immediately knows two things: that Miss Bastien is a fraud, and that he’s wildly attracted to her.

Violet knows she can’t really contact the other side, but she’s excellent at reading people. She discerns quickly that Daniel is intelligent and dangerous to her reputation, but she also finds him generous, handsome, and outrageously wicked. But spectres from Violet’s past threaten to destroy her, and she flees England, adopting yet another identity.

Daniel is determined to find the elusive Violet and pursue the passion he feels for her. And though Violet knows that her scandalous past will keep her from proper marriage, her attraction to Daniel is irresistible. It’s not until Daniel is the only one she can turn to that he proves he believes in something more than cold facts. He believes in love.

In the past, ladies have slapped Daniel Mackenzie for kissing them, but this is the first time a woman whacked Daniel on the head with a vase. Then again, Violet Bastien is not exactly a typical English lady. From the moment they first meet, Daniel knows that Violet does not really communicate with ghosts, but Violet mistakes Daniel's interest in her professional "devices" as a threat to her business. One kiss and one major migraine later, Daniel discovers that Violet has fled London with her mother and their maid. Tracking down Violet now becomes Daniel's number one priority because while the lady might have more than her share of secrets, it is no secret to Daniel that Violet is the only woman in the world for him. The sixth book in RITA Award-winning Ashley's Mackenzie series will not disappoint fans with its scintillating blend of captivating characters, incendiary sexual chemistry, and an expertly evoked late-Victorian setting that makes excellent use of the era's fascination with both spiritualism and scientific advances. --John Charles
