Alien Survivor: (Stranded on Galatea) An Alien SciFi Romance By Juniper Leigh

Tall. Broad. Breathtakingly handsome.

Danovan tel'Darian is all of the above. He's also an Alien. Will Ara Cross fall for him?

Dr. Araceli Cross has her reservations about leaving Earth for one of the colonies on the planet Galatea, but her medical and genetic expertise is required. Besides, it's not like she's going alone. Her fiancé—and head of the scientific research organization that employs her—will be there as well.

But all is not as it seems on the planet's surface, nor as her devoted boyfriend would have her believe.

Upon a crash landing after an ambush attack, Ara is rescued by a gorgeous native named **Danovan tel'Darian**. Galatean in origin, he's rippling with defined muscles that make him look as though he were carved out of stone.

Will Ara fall for Danovan...and turn everything she has come to know upside down?

***BONUS BOOK:** This book contains Juniper Leigh's best selling Alien Sci Fi Romance, *Alien Alpha (Qetesh Warrior)* included at the end of the book as a bonus!.
