You must experience Iceland's nightlife. I share...

- A complete breakdown on how to have fun at night, including the time you should head out the door to run game
- How the American one-night stand culture is completely different from Iceland's
- How to run "last call" game, a method that leads to the most amount of fast romance
- My favorite opener to use on Icelandic girls
- The best way to answer their most common questions, such as "What are you doing here?" and "How long are you going to stay?"
- Why using long, witty, and fun conversation is a poor method to seducing Icelandic women (I teach you tactics that are simpler and more effective)

- How to perform the afterparty move, the most valuable tool in your night romance repertoire
- An effective hail mary move if you have no prospects and all the bars are closed

The book has you covered with topics you may not have considered...

- How to reapproach Icelandic girls that you keep running into
- Notes on how you'll be perceived based on your race
