#### From the Back Cover

DO YOU ENJOY JUST BEING WITH GOD? Most Christians could tell you a lot about God. We're familiar with His attributes, His character, His actions, and so on. But do we really know God? Are we comfortable just "wasting" time in His presence? Enjoying the Presence of God offers simple, tangible insights into practicing God's presence and makes them relevant to ordinary people as they play sports, dig in the garden, or rock a baby. It shows that continual awareness of God is not just for the "super-spiritual," but that anyone can sense His companionship in the mundane, in-between moments of life. If you're tired of feeling like spending time with God is a chore or performance, Enjoying the Presence of God will give you the opportunity to surrender to His presence and enjoy just being with Him.
