Loving Our Kids On Purpose: Making A Heart-To-Heart Connection By Danny Silk

You CAN raise good kids!

Loving Our Kids on Purpose combines the principles of the Kingdom of God and revival to form a powerful strategy for parents.

Where the Spirit of the Lord is there is freedom (2 Corinthians 3:17). Rather than the traditional approaches that train children to learn to accept being controlled by well-meaning parents and adults, this book teaches parents how to train children to manage their freedoms and protect their important heart-to-heart relationships.

Children were designed with the core need of freedom. To deny this or live ignorant of it eventually destroys the trust connection between parent and child.

There is no fear in love; but perfect love casts out fear, because fear involves torment. But he who fears has not been made perfect in love (1 John 4:18 NKJV).

Loving Our Kids on Purpose introduces paradigms, perceptions, skills, and ideas that will help parents reduce fear by eliminating the tool of punishment and strengthening the core character of their children by empowering their self-control and value for their relationship with their parents.

Review

It is very difficult to promote Danny Silk s ministry without sounding like I have the need to exaggerate. But the truth is, in the circle I run in, he is without equal. His discernment gives him access to root issues that have become obstacles to relational peace and blessing, while his wisdom enables him to be a builder of families and an architect of relationships. I heartily recommend Danny and all his materials to help bring about God s best for your life. ---**Bill Johnson**, Senior Leader of Bethel Church, Redding, CA

I have known Danny Silk for more then twenty-five years. He has the most amazing ability to understand the root causes of social and behavior issues of anyone I have ever encounter in my thirty years of working with people. Our team has been encouraging him to write this book for a long time, as his timeless wisdom needs to be imparted to the masses. BUT READER BEWARE: Danny s insights often smash old religious mindsets and free people from the bondage of spiritual captivity. You will find that you are laughing and crying yourself into new relational paradigms as you willingly walk head first into his sword. His stories will capture your heart, his wisdom will astonish you and his life will change you forever. This book is a must read for everyone, whether you have children or not. ---**Kris Vallotton**, Senior Associate Pastor of
