**Mindfulness (Athlone Contemporary European Thinkers)** By Martin Heidegger

This brand new translation of Martin Heidegger's *Mindfulness* (*Besinnung*) makes available in English for the first time Heidegger's second major being-historical treatise. Here Heidegger returns to and elaborates in detail many of the individual dimensions of the historically self-showing and transforming allotments of being. In addition to the main text, this volume also includes two further important texts, *A Retrospective Look at the Pathway* (1937/8) and *'The Wish and the Will (On Preserving What is Attempted)'* (1937/8), in which Heidegger surveys his unpublished works, gives instructions for their eventual publication, talks about his relationship to Catholic and Protestant Christianity, and reflects on his life's path. This is a major new translation of a key text from one of the most important thinkers of the twentieth century.

**This volume is translated by Parvis Emad, Emeritus Professor of Philosophy at DePaul University, Chicago, and Thomas Kalary, Professor of Philosophy at Suvidya College, Bangalore.**

Review

Review quotes to follow

'This is a central text for coming to terms with Heidegger's thinking ... The translation itself mirrors and maintains the haunting character of the German text. The Translators' Foreword is a masterpiece in setting the stage and opening up the possibilities for the English to stay true to the Heideggerian project of thinking the truth of be-ing.'
