Editorial Review

Review

James F. Keenan, S. J.

-- Boston College

"Since 1987 *On Moral Medicine* has been the indispensable anthology for anyone teaching or studying bioethics. This long-awaited third edition introduces us to new and urgent topics concerning social responsibility, embodiment, and vulnerability and engages human subjects not previously considered: children, people with mental illness, the aging and elderly, and people with disabilities. . . . In short, the editors offer us a surfeit of vital and relevant insights and a worthy companion for those facing the often-confounding contemporary agenda called medical ethics.

David P. Gushee

-- Mercer University

"*On Moral Medicine* is quite simply the single most authoritative sourcebook on Christian medical ethics in the English language today. Not just recommended -- indispensable!"

Amy Laura Hall

-- Duke Divinity School

"This will be the definitive teaching resource for Christian bioethics and related courses for the next decade. Lysaught and Kotva are two of the most pedagogically astute and pastorally aware scholars of their generation. They are as wise as they are smart. This volume is a gift to those of us who strive for clarity in a confounding field."

Sondra Wheeler

-- Wesley Theological Seminary

"Freshly conceived and organized, with a mix of classic and recent contributions to the field, *On Moral Medicine* will remain an invaluable resource for those who teach and study the practice of medicine as a testament to our most fundamental commitments."

Theology

"The third edition easily lives up to the reputation of *On Moral Medicine* as the classic work in the field."

Journal of Interdisciplinary Studies

"Offers many options for a multiplicity of dilemmas. It is up-to-date even for the twenty-first century. It is also thoroughly theological, especially for the Christian faith. . . . The book is highly recommended for the continued development of bioethics and moral medicine."

About the Author

M. Therese Lysaught is associate professor in the department of theology at Marquette University.

Joseph J. Kotva Jr. teaches Christian ethics at Associated Mennonite Biblical Seminary and philosophy at Indiana University, South Bend.

The Helen H. P. Manson Professor of the English Bible at Lafayette College in Easton, Pennsylvania.

Allen Verhey is professor of theological ethics at Duke Divinity School. His other books include *Reading the Bible in the Strange World of Medicine, Nature and Altering It*, and *Remembering Jesus: Christian Community, Scripture, and the Moral Life*.

Users Review

From reader reviews:

Patricia Howard:

Here thing why this specific *On Moral Medicine: Theological Perspectives on Medical Ethics* are different and reliable to be yours. First of all examining a book is good however it depends in the content of it which is the content is as yummy as food or not. *On Moral Medicine: Theological Perspectives on Medical Ethics* giving you information deeper including different ways, you can find any reserve out there but there is no guide that similar with *On Moral Medicine: Theological Perspectives on Medical Ethics*. It gives you thrill reading journey, its open up your current eyes about the thing in which happened in the world which is perhaps can be happened around you. It is easy to bring everywhere like in park, café, or even in your technique home by train. In case you are having difficulties in bringing the branded book maybe the form of *On Moral Medicine: Theological Perspectives on Medical Ethics* in e-book can be your substitute.

William Painter:

People live in this new time of lifestyle always attempt to and must have the free time or they will get lot of stress from both daily life and work. So , whenever we ask do people have extra time, we will say absolutely of course. People is human not only a robot. Then we question again, what kind of activity do you have when the spare time coming to you actually of course your answer will certainly unlimited right. Then ever try this one, reading textbooks. It can be your alternative within spending your spare time, typically the book you have read will be *On Moral Medicine: Theological Perspectives on Medical Ethics*.
