### Party Girl (The Girl's Series Book 1) By Rachel Hollis

Landon Brinkley's dreams are all coming true. She's landed an internship with the fabulous Selah Smith, event planner for the Hollywood elite, taking her from small-town Texas to the bright lights of LA. Landon soon finds herself in a world in which spending a million dollars on an event—even a child's birthday party—is de rigueur and the whims of celebrity clients are life-and-death matters. At first, the thrill of working on A-list parties and celebrity weddings is enough to get Landon through the seventy-five-hour workweeks and endless abuse at the hands of her mercurial boss. But when the reality of the business reveals itself, she's forced to make a choice: do whatever it takes to get ahead, or stay true to herself.

Drawing on the author's real-life experiences as an event planner to the stars, *Party Girl* takes readers on an adventure among Hollywood's most beautiful—and most outrageous—people, revealing the ugly side of Hollywood's prettiest parties.

**Revised edition: This edition of *Party Girl* includes editorial revisions.**
