Sacred Grids: Creating Crystal Grids with Sacred Geometry By Sharon D Anderson PHD

What Are Sacred Grids And What Do We Use Them For?

Sacred Geometry has often been referred to as The Language of Light or Blueprint for All Creation, or The harmonic configuration of the soul.

You will find Sacred Geometry everywhere.

When we create grids using sacred geometry we are calling upon the strength and the energetic qualities of these eternal geometric shapes to work in conjunction with these grids. We are asking for sacred assistance.

Grids create a pattern of energy, an energetic transmitter like a two-way radio that produces a vibrational field to either bring energy down to be released into the environment for some purpose or intent or sending the energy out into the atmosphere for transmutation or for distant spiritual healing.

Sacred Grids are very powerful energetic tools.
