Editorial Review

About the Author

"Mark Warner is a professionally licensed mechanical engineer, a member of the Society of Automotive Engineers, and a life-long automobile expert and builder. He has written five best selling books on automotive technology, hundreds of magazine articles, dozens of peer reviewed technical papers, and holds ten engineering patents. He lives in Tucson, Arizona. When he's not writing, he can usually be found wrenching on a project car in his shop."

Users Review

From reader reviews:
