The Perfect Find By Tia Williams

Will a forty-year-old woman with everything on the line – her high-stakes career, ticking biological clock, bank account – risk it all for an intensely lusty secret romance with the one person who could destroy her comeback, for good?

Jenna Jones, former It-girl fashion editor, is broke and desperate for a second chance. When she's dumped by her longtime fiancé and fired from *Darling* magazine, she begs for a job from her old arch nemesis, Darcy Vale. The beyond-bitchy publisher of StyleZine.com, Darcy agrees to hire her rival – only because her fashion site needs a jolt from Jenna's old school cred. But Jenna soon realizes she's in over her head. She's working with digital-savvy millennials half her age, has never even "Twittered," and pretends to still be a Fashion Somebody while living a style lie (she sold her designer wardrobe to afford her sketched-out studio, and now quietly wears Walmart's finest). Worse? The twenty-two-year-old videographer assigned to shoot her web series is driving her crazy. Wildly sexy with a smile Jenna feels in her thighs, Eric Combs is way off-limits – but almost too delicious to resist.
