Try Me (Take a Chance) By Diane Alberts

A sexy category romance novella from Entangled's Brazen imprint...

She was off-limits...until now.

Vegas was a bad idea. There's no real good reason for a Marine to be stranded in the desert...and yet here I am. Hungover as hell, bruised, and bloodied. The tequila was just another mistake in a long line of mistakes. So naturally she had to be the one to come and save my sorry ass. The girl who broke my heart. My ex-best pal's little sister...

And dammit, I still want Erica Jones as much as I did all those years ago. Tried to tell her I loved her then, and she ran. Now I just need to touch that smooth-as-silk skin, worshipping the curves of her body. But she and I? We always see through each other, and something's changed. And despite how screwed up we are, this time I'm going to prove myself to her...to hell with the consequences.

Previously released on the Ever After imprint in May 2012.

Editorial Review

Review

Praise for Try Me:

If you enjoy love stories like me this is definitely the book for you. It's amazing and it had me swooning a whole lot throughout. Jeremy is so a new book boyfriend for me and you have no idea how excited I am to find out this is the first in the Take A Chance series.

Five star review from KBooks

Diane has once again written a deep and wonderful love story involving two people you can't help but root for. *Try Me* is a sweet, heart-warming story about two people that were just meant to be together trying to find their way back to each other.

Five star review from Kindle and Me

I read this all in one sitting, and stayed up to 1:30 a.m. to finish it! I loved the hero, Jeremy, completely. A boy from the wrong side of the tracks and from the worst possible family background who feels he's not good enough for the women he's loved since childhood, a woman who now has secrets she believes makes her unworthy as well.

Five star review from Bestselling author Laura Kaye

When an author causes this kind of reaction in a reader, I say, that is a pretty darn good author, and on this case Diane Alberts delivers and delivers pretty darn good.
