**What's Left of Us (What's Left of Me #2)** By Amanda Maxlyn

"I love Aundrea and Parker. They make me believe in a love that withstands absolutely anything." - Willow Aster, USA Today Best Selling Author

The heartwarming conclusion to What's Left of Me.

Love found me three years ago.

I'm cancer free, happily married to the love of my life, and working toward my dream career.

Our life is complete. Perfect, really.

Or is it?

I've always wanted a family of my own, but never dreamed I could have one. Now Parker's ready to make my dream our reality.

But sometimes our dreams are haunted by our deepest fears. Fears of failure, having a child, and in our case ... death. How do I help the person I love get over his fear when I'm still trying to overcome that same fear myself?

Together we must learn What's Left of Us.

\*\*What's Left of Us is book two in a powerful, emotional, and steamy love story.\*\*
