White Ninja (The Nicholas Linnear Series Book 3) By Eric V Lustbader

A *New York Times* bestseller by the author of *The Ninja*: An American uses his martial arts expertise to track a serial killer preying on the women of Tokyo.

A sadist haunts the back alleys and sex clubs of Tokyo, picking up women, horrifically mutilating them, and leaving behind a calling card written in blood: *This could be your wife*. He kills fearlessly, certain the police will never catch him.

The only man who might stop this fiend is Nicholas Linnear, a martial arts expert whose childhood education in the dojos of Japan has made him one of the country's leading practitioners of ninjutsu. But Linnear fears that his illness may have left him *Shiro Ninja*—stripped of his power and discipline. With the killer growing increasingly brazen, Linnear must summon all his strength and training before his own family becomes the next target.

“Compelling [and] highly charged with action,” this is a chilling tale of menace, crime, and corruption featuring the half-British, half-Chinese hero of *The Ninja* and *The Miko*, by the #1 *New York Times*–bestselling author of the Jason Bourne series (*Publishers Weekly*).

Editorial Review

From Publishers Weekly

Nicholas Linnear, hero of *The Ninja* and *The Miko*, is back in another epic melodrama set in present-day Japan, this time concerning primal Japanese tanjian sorcery, troubled family histories, sex crimes, magic jewels, marital problems, the opium trade, brain tumors, an apocalyptic computer virus and sadistic blood murder; and featuring high-powered Washington politicians, a female detective for the Tokyo police, Red operatives, the Japanese mafia, and a brother-sister tag team of evil incarnate. Improbable as it may sound, the story (which begins with the endless complications bequeathed upon it by its two equally elaborate predecessors) is compelling, highly charged with action, adventure, and Lustbader's particularly anguished brand of sexual realism. The densely plotted story leads through the labyrinthine mysteries of the Orient, with sexual and spiritual mysteries unfolding enticingly (if predictably) at every turn. A distinctly good time for the unabashed thriller-reader, particularly those with a taste for the mystical, exotic and sexually kinky. Copyright 1989 Reed Business Information, Inc.

From the Inside Flap

"Lustbader has honed the brooding, goose-bumply sensation of sudden, violent death likely to burst out of the darkness at any moment into a unique art form."

LOS ANGELES TIMES

Nicholas Linnear is helpless as he watches his love and his life careen out of control. He has discovered that he is shiro nive, a life of honor and truth amidst greed and corruption. And through it all, stalks a perverse madman through the seamy streets and bureaucratic mazes of Tokyo, destroying anyone who stands in his way, with deadly precision and otherworldly cunning. And the one man who can stop him, Nichaolas Linnear, is shiro ninja.
