Bilingual Grammar of English-Spanish Syntax: A Manual With Exercises

By Sam Hill, William Bradford

This is a revised, reorganized and expanded version of Professor Hill's original work, "Contrastive English-Spanish Grammatical Structures" (UPA, 1984). The book represents an inventory of the grammatical contrasts between English and Spanish and is divided into four major parts: basic syntax and verbal forms; the complex noun phrase; verb phrase complementation; and syntactic and lexical variations. The text also includes exercises, divided into three categories based on the potential needs of professors and students using the book.
