**Christ and the Virgin: The Forgotten Purpose of Christianity** By Samael Aun Weor

The energy that liberates a human being from suffering is known around the world by many names, such as Christ, Osiris-Ra, Quetzalcoatl, Jupiter, Avalokitesvara, etc. That is, Christ is a force at the very foundation of existence, and which can emerge in a properly prepared individual. Such a pure, divine energy can only be born in us through an immaculate conception, that mysterious symbol present in every great mythological and religious tradition. Bringing the Christ into the world is the duty of the Virginal Mother. The ancient Christian tradition represented the Virgin Mother just as the Egyptians did: as a virtuous, chaste woman blessed with the sacred duty of giving birth to the savior of the world. Unfortunately, over the centuries, the public was not taught about the true importance or nature of the Divine Mother, or how to work with her. Now, with the knowledge written in this book, anyone can have the precious experience of talking to their own inner Divine Mother, and be prepared for the birth of Christ within, which is the beginning of the Direct Path to absolute liberation. Topics include: What are Christ and Christianity? What is the Aquarian Age? The essential foundation of all religions Prophecies coming true now Immaculate conceptions, both spiritual and physical

#### About the Author

The name Samael Aun Weor is Hebrew and is pronounced sam-ayel on vay-ohr. Samael Aun Weor wrote over sixty books, gave thousands of lectures, and formed the worldwide Gnostic Movement, whose members number in the millions. And yet, in spite of his wisdom and generosity towards mankind, he said: "Do not follow me. I am just a signpost. Reach your own Self-realization." His lifelong mission was to deliver to humanity the total and exact science to develop the complete human being, that mysterious and ancient wisdom long hidden in the bosom of every great religion.

It is said that there are seven great religions and five thousand sects. We the Gnostics affirm that there is only one great religion, and that is the TRUTH. We firmly believe that only he who lives the Truth is profoundly religious. The Truth wants to know itself in each man. Jesus of Nazareth is a living embodiment of the TRUTH. Jesus incarnated the TRUTH. Whoever incarnates the TRUTH becomes free. Those who incarnated the Truth founded the great religions and the great mystery schools. Buddha, Hermes, Krishna, Quetzalcoatl, etc. incarnated the Truth, and all those who dissolve the I and erect the columns of the temple upon the living rock incarnate the Truth. There is no higher religion than the Truth. We should distinguish between religious forms and religious principles. It is necessary to know that the principles are living cosmic formulae. Religious forms are the different systems of teaching those principles. The great infinite universal cosmic religion assumes distinct forms according to the needs of each race and era. In this manner, religious forms have succeeded one another throughout millions of years. The successive string of the all religions that have existed in the world always reveals the same immutable principles of the Truth. Religion is an inherent property of life, as humidity is of water. A man could belong to no religion and yet be profoundly religious. Every person who is capable of experiencing the Truth is profoundly religious, even if he does not belong to any religion. Religion is the intimate relationship of the mind with the Truth. Only the religious man is truly revolutionary. Some philosophers say that religions have failed. We assure you that every religion has fulfilled its historic mission. Buddhism fulfilled its mission with the birth of merely one living Buddha. One Christified person justifies the existence of Christianity. One Imam well justifies the existence of the religion of Mohammed. All the great religions of the world have achieved their objectives through men who obtained their "religare"-in other words, who incarnated the Truth. Really, many are called, but few are chosen. This law has already been fulfilled in all the religions. There is no basis for assuring that religions failed in their mission to "religare" [reunite] man with the Truth. In all religions are perfect ones who succeeded in reuniting the soul or consciousness with God.
