Couples in Conflict: Classic Edition (Psychology Press & Routledge Classic Editions) From Routledge

This classic volume provides a solid foundation for thinking about creative ways in which our society can work to prevent or minimize destructive couple conflict and enhance couples' abilities to constructively handle their differences. A common thread throughout is that constructive conflict and negotiation are beneficial for relationships. The new introduction provides an overview of how this classic text is still relevant today.

Divided into four parts, this book:

- *addresses the societal and bio-evolutionary underpinnings of couple conflict;
- *presents the interpersonal roots of couple conflict and the consequences for individuals and couples;
- *discusses what effects couple conflict have on children and how individual differences in children moderate these effects;
- *outlines policies and programs that address couple conflict; and
- * concludes with an essay that pulls these four themes together and points to new directions for research and program efforts.

This book serves as a supplement in graduate or advanced undergraduate courses on interpersonal relationships, couples and/or family and conflict, divorce, couples and/or family therapy taught in human development and family studies, clinical or counseling psychology, social work, sociology, and communications and it is also a helpful compendium for researchers and clinicians/counselors interested in couple conflict.

Editorial Review

Review

"Scholars and practitioners alike agree that assessing how couples deal with conflict is the gold standard for evaluating couple well-being, and Couples in Conflict is the gold standard for research on the topic of conflict. The volume approaches its subject matter from diverse perspectives, all of which are foundational to a deep understanding of what conflict means for couples and families, and how interventions might be framed most effectively....The chapters are still informative, highly relevant, and compelling." – **Harry Reis, University of Rochester, USA**

"Couples in Conflict is proof positive that great things happen when outstanding scholars come together. ...The editors assembled a remarkable cast of authors to cover a broad range of topics. Although published more than a decade ago, Booth and colleagues' text is still a useful and relevant resource for researchers, teachers, and practitioners alike. Given the tremendous changes in contemporary coupling, a classic version of this text will help reignite the discussion of the ups and downs of relational conflict." – **Brian Ogolsky, University of Illinois Urbana-Champaign, USA**

"I have regularly used ... Couples in Conflict as a reference book. Despite being originally published in 2001, this edited volume is still relevant, timely, and thought-provoking. The book's contributors are leaders in the field and still represent a veritable "Who's Who?" of researchers in the broad area of couple conflict and aggression." – **Mark A. Fine, University of North Carolina at Greensboro, USA**

Users Review

From reader reviews:

Paula Jackson:

Book is to be different for each and every grade. Book for children till adult are different content. We all know that that book is very important normally. The book *Couples in Conflict: Classic Edition* (Psychology Press & Routledge Classic Editions) was making you to know about other expertise and of course you can take more information. It is quite advantages for you. The e-book *Couples in Conflict: Classic Edition* (Psychology Press & Routledge Classic Editions) is not only giving you much more new information but also to become your friend when you sense bored. You can spend your personal spend time to read your publication. Try to make relationship with the book *Couples in Conflict: Classic Edition* (Psychology Press & Routledge Classic Editions). You never sense lose out for everything should you read some books.

Jesse Nance:

As people who live in the actual modest era should be change about what going on or facts even knowledge to make these individuals keep up with the era that is certainly always change and move ahead. Some of you maybe will certainly update themselves by looking at books. It is a good choice to suit your needs but the problems coming to anyone is you don't know which one you should start with. This *Couples in Conflict: Classic Edition* (Psychology Press & Routledge Classic Editions) is our recommendation to cause you to keep up with the world. Why, since this book serves what you want and want in this era.

Ernest Ainsworth:

Playing with family within a park, coming to see the ocean world or hanging out with pals is thing that usually you will have done when you have spare time, subsequently why you don't try factor that really opposite from that. One particular activity that make you not feeling tired but still relaxing, trilling like on roller coaster you already been ride on and with addition of knowledge. Even you love *Couples in Conflict: Classic Edition* (Psychology Press & Routledge Classic Editions), you are able to enjoy both. It is very good combination right, you still need to miss it? What kind of hangout type is it? Oh seriously its mind hangout people. What? Still don't obtain it, oh come on its known as reading friends.

Eddie Barber:

That reserve can make you to feel relax. This kind of book *Couples in Conflict: Classic Edition* (Psychology Press & Routledge Classic Editions) was vibrant and of course has pictures on the website. As we know that book *Couples in Conflict: Classic Edition* (Psychology Press & Routledge Classic Editions) has many kinds or style. Start from kids until teenagers. For example *Naruto* or *Detective Conan* you can read and believe you are the character on there. Therefore , not at all of book usually are make you bored, any it makes you feel happy, fun and unwind. Try to choose the best book in your case and try to like reading that.
