Fire Burn And Cauldron Bubble: The Jolie Wilkins Series By H.P. Mallory

A self-deprecating witch with the unique ability to reanimate the dead. A dangerously handsome warlock torn between being her boss and her would-be lover. A six hundred year old English vampire with his own agenda; one that includes an appetite for witches. The Underworld in a state of chaos. Let the games begin. Life isn't bad for psychic Jolie Wilkins. True, she doesn't have a love life to speak of, but she has a cute house in the suburbs of Los Angeles, a cat and a quirky best friend. Enter Rand Balfour, a sinfully attractive warlock who insists she's a witch and who just might turn her life upside down. Rand hires her to help him solve a mystery regarding the death of his client who also happens to be a ghost. Jolie not only uncovers the cause of the ghost's demise but, in the process, she brings him back to life! Word of Jolie's incredible ability to bring back the dead spreads like wildfire, putting her at the top of the Underworld's most wanted list. Consequently, she finds herself at the center of a custody battle between a villainous witch, a dangerous but oh-so-sexy vampire, and her warlock boss, Rand.

Editorial Review

About the Author

H.P. Mallory is an indie urban fantasy and paranormal romance author who has written the first books of two series that span both paranormal romance and urban fantasy genres, Fire Burn and Cauldron Bubble and To Kill A Warlock. So, just what the heck is an indie author? An indie author is someone who is sick to death of the staid publishing industry and is, instead, blazing her own way into the wild frontier of publishing. If you are all about fairies and witches and vampires (oh my!), you love a good alpha warlock and you like men who get a little hairy during a full moon, H.P.'s got the goods! H.P. is all over the web! Find her at: <http://twitter.com/hpmallory> <http://www.facebook.com/people/Hp-Mallory/10000124964376> www.indieurbanfantasy.com

Users Review

From reader reviews:
