Introduction to Tung's Acupuncture By Dr. Chuan-Min Wang DC LAc

The Tung system of acupuncture has gained tremendous popularity worldwide due to its effectiveness and ease of use. However, there is still limited information available regarding Master Tung's reasoning for choosing points when treating. Introduction to Tung's acupuncture is essential to understanding how to locate and correctly choose Master Tung's unique points based on five zang channel diagnosis. In this monumental work, Dr. Wang reveals previously unpublished information regarding Master Tung's five zang channel system and illustrates how he used this method by providing several of Master Tung's medical cases. This book also illustrates the use of facial and palmar diagnosis as well as a general method for choosing Master Tung's points based on pulse diagnosis. Recommended for Tung style practitioners of all levels, as well as acupuncturists new to the Tung system. Dr. Chuan-Min Wang, DC, LAc is a direct lineage disciple of Master Tung Ching-Chang and the director of the Illinois Chinese Tung Acupuncture Institute and founder of the Wang Acu-Chiropractic Clinic.

Bruce Jackson:

A lot of people always spend all their free time on vacation or go to the outside with their loved ones or their friend. Do you realize? Many a lot of people spend that free time just watching TV, or perhaps playing video games all day long. In order to try to find a new activity honestly, that is look different you can read any book. It is really fun in your case. If you enjoy the book you read you can spend the whole day reading a guide. The book Introduction to Tung's Acupuncture it is very good to read. There are a lot of individuals who recommended this book. These folks were enjoying reading this book. When you did not have enough space to bring this book you can buy the e-book. You can more quickly read this book out of your smart phone. The price is not very costly but this book has high quality.

Paul Leavens:

As a university student exactly feel bored to be able to read. If their teacher questioned them to go to the library or even make a summary for some guide, they are complained. Just minor students that have reading's heart or real their passion. They just do what the trainer wants, like asked to the library. They go to there but nothing reading seriously. Any students feel that examining is not important, boring as well as can't see

colorful photographs on there. Yeah, it is being complicated. Book is very important in your case. As we know that on this age, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. So , this Introduction to Tung's Acupuncture can make you sense more interested to read.
