Dan was a devoted and loving husband. His only desire in life was to provide for his wife in every way, shape, and form. When they went on vacation, he took the opportunity to find something special for her, something very special - a handsome man to make love to her.

She at first expresses her objection to the idea, yet soon realizes how much her husband would love her to experience it. As his loving wife, she bends to his desire for just this once. After she's had a taste of what it's like to be made love to by a perfect male specimen, she learns to feed her husband's desire to see it happen again. In the process, she manages to subtly transform her loving husband's role into that of a serving, and catering servant while at the same time, he finds out what his true desires have been all along when he enters a new world of male chastity and feminization, suggested by his wife.

Together, they learn how to overcome societal taboos and beliefs by putting aside male ego and the perceived need for monogamous relationships. They experience ecstasy beyond belief and their daily lives become filled with sensuality and excitement. Is he then a cuckold, or is he just a man trying to get the most out of life for the love of his life? Is she a slut wife, or is she just a woman taking advantage of the gifts a woman has to experience bliss? Is he no longer a man, or has he transcended the stereotype of what a real man is and achieved true courage by becoming a feminized male?

How many women would ever think of feminizing men to obtain the things they deserve to have and immerse themselves in unending blissful experiences, heretofore unheard of, by becoming a hot wife?
