Olympus at War (Pegasus) By Kate O'Hearn

Emily and her winged horse face a war of Olympic proportions in this second book of the Pegasus series.

Emily, newly recognized as the Flame, is living in Jupiter's palace on Mt. Olympus. Her friends, Joel, Paelen, and—of course—Pegasus, are there as well. The only person missing is Emily's father, who is still being held prisoner by the CRU back in the human world. Emily wants to go find him, but Jupiter won't allow her to leave. However, Emily does have access to a winged horse...

Determined to rescue her father, Emily and her friends make plans to sneak away from Olympus and back to New York. Then Cupid, Emily's sort-of crush, decides to come along as well. It will be hard enough to hide a winged horse from the prying eyes of the CRU, but a winged boy as well? And when the gruesome Nirads begin a new invasion, old grudges are unearthed, new enemies are discovered, and Emily and her friends become entangled in a conflict more dangerous than they ever anticipated.

Editorial Review

From [Booklist](#)

In this latest book in the Pegasus series, all seems swell in Olympus. Surrounded by loyal friends like Pegasus and Paelen, Emily is making the challenging transition from young, mortal New Yorker to being the physical embodiment of the Flame of Olympus. But Emily knows she and her allies must return to New York against Jupiter's orders to rescue her father from an evil government agency. O'Hearn once again delivers such sympathetic characters, swiftly paced action, and unexpected turns that the occasional clichéd phrasings are quickly forgiven. These books build great narrative suspense—this one involves a scary Gorgon showdown—and the next book undoubtedly will as well. Grades 4-7. --Abby Nolan

Review

This stylishly written book is the work of a novelist whose care and concern for horses is as evident as her interest in mythology ... imaginative and creative School Librarian Mythology meets reality as Emily and her friend ... get catapulted into an amazing battle to save Olympus First News Fans of her first novel will love the latest adventure for Emily and her winged horse Pegasus. Sunday Express If you liked Percy Jackson, this is...just as exciting! First News Stylishly written... characters are brought to life by her [O'Hearn's] imaginative and creative insights. School Librarian
