Snare (Delirious Book 1) (Volume 1) By Clarissa Wild

Obey Mister Brand and let your mind be seduced by darkness ...

USA TODAY BESTSELLING AUTHOR Clarissa Wild brings you SNARE, the first book in the dark Romance suspense Delirious Series. **This is a full-length novel with a cliffhanger.**

**** Author's note: This is a dark romance that will mess with your heart and mind. ****

His secrets will destroy her.

Taken.

Humiliated.

Used.

With his smart mouth, dirty talking, and possessive behavior, Sebastian Brand has me hooked in the most shameless way. I'm obsessed with him. However, now that I've escaped the mental hospital, he seeks to control my every move.

The overwhelming aloofness in his attitude and the darkness in his mind tells me there is more to this man than sheer dominance. Depravity is his playground and pain is a necessary evil.

Keeping me away was his first instinct.

Capturing me was his second.

Claimed by a man with the exterior of an angel and the mind of a brute, I will do anything to unveil his secrets and face my own demons.

A body in exchange for freedom. A heart in exchange for truth.

Life is never a given. Only a certain death.

This is Volume 1 in the Delirious Series, which contains 3 volumes and a prequel. This book is a full-length novel. These books should be read in order:

1. SNARE (#1)
2. SEIZE (#2)
3. SCORCH (#3)

WARNING: This book contains very disturbing situations, strong language, drugs and alcohol, dubious consent, and graphic violence. Contains a cliffhanger that will make your eyes pop.

REVIEWS

"This story was just addictive. At times I really understood how Lilith felt. Parts of the book was just beyond dirty ... The story scared me, seduced me, and at the end of it all my heart felt like it was going to jump right out of my chest." - SBM Book Obsession Book Blog

"This dark read takes you to places I wasn't aware that you could go! I was taken on a rollercoaster ride of every emotion I was capable of and then some. Clarissa Wild is not afraid to step out of the norm of what is usually out there in books these days. She takes you to the edge and back and keeps you guessing at every turn." - Elaine and Tami's JB3s Blackbirds Blog

"I absolutely, positively give this book FIVE stars!! I could not put it down..." - Summers Book Blog

"Clarissa has once again messed with my head but in the best possible way!!!" - Jezabell Girl & Friends Book Blog
