That Night with My Best Friend's Brother By J. S. Cooper, Helen Cooper

I want more than one night with Aiden Taylor.

Aiden Taylor is my best friend's brother. He's sexy, charming and drop dead gorgeous. He also doesn't know I exist as anything other than his little sister's best friend.

However, I'm determined to change that. I'm Alice Waldron. Twenty-two, spunky, and adventurous. I'm willing to do whatever it takes for Aiden to notice me. And Liv, my best friend, is determined to help me as well.

The only problem is that I have a small secret. A secret that could make my getting together with Aiden Taylor very complicated. A secret that could make more than one night with Aiden nothing more than a dream.

NOTE: This novella is a free prequel to the full-length standalone novel *Falling For My Best Friend's Brother*, that will be released at the end of February. This novella will also be included in the full-length book when it is released, so you can read it first as a free download or you can read it as part of the novel on release day.
