### The Best War Ever: America and World War II (The American Moment)

By Michael C. C. Adams

Was it really such a "good war"? It was, if popular memory is to be trusted. We knew who the enemy was. We knew what we were fighting for. The war was good for the economy. It was liberating for women. It was a war of tanks and airplanes? a cleaner war than World War I. Americans were united. Soldiers were proud. It was a time of prosperity, sound morality, and power.

But according to historian Michael Adams, our memory is distorted, and it has left us with a misleading?even dangerous?legacy. Challenging many of our common assumptions about the period, Adams argues that our experience of World War II was positive but also disturbing, creating problems that continue to plague us today.

### **Editorial Review**

Review

This book will be most valuable to students and general readers who have not given World War II serious study but who are interested in achieving a better understanding of America's experience in what Dwight D. Eisenhower called 'the Great Crusade.'

*(Register of the Kentucky Historical Society)*

Adams... uses his demythologizing lens to provide a rich overview of American involvement in the war... Adams has a real gift for efficiently explaining complex historical problems.

*(Reviews in American History)*

Not only is this mythologizing bad history, says Adams, it is dangerous as well. Surrounding the war with an aura of nostalgia both fosters the delusion that war can cure our social ills and makes us strong again, and weakens confidence in our ability to act effectively in our own time.

*(Journal of Military History)*

### **Users Review**

**From reader reviews:**

**Kathleen Owens:**

What do you think of book? It is just for students because they are still students or the idea for all people in the world, what the best subject for that? Just simply you can be answered for that concern above. Every person has different personality and hobby for every other. Don't to be pushed someone or something that they don't would like do that. You must know how great and important the book The Best War Ever: America and World War II (The American Moment). All type of book can you see on many sources. You can look for the internet resources or other social media.

**Arthur West:**

What do you with regards to book? It is not important together with you? Or just adding material when you need something to explain what your own problem? How about your time? Or are you busy particular person? If you don't have spare time to try and do others business, it is make you feel bored faster. And you have extra time? What did you do? Every person has many questions above. They have to answer that question because just their can do that. It said that about e-book. Book is familiar in each person. Yes, it is suitable. Because start from on jardín de infancia until university need this The Best War Ever: America and World War II (The American Moment) to read.
