## **Editorial Review**

### **About the Author**

Florence Scovel Shinn (1871-1940) was an American artist who turned New Thought spiritual teacher, and metaphysical writer in her middle years. Her metaphysical works began with her self-published "The Game of Life and how to Play it" in 1925. "Your Word is Your Wand" was published in 1928 and "The Secret Door to Success" in 1940. Her philosophy centers around the power of positive thought and usually includes instructions for verbal or physical affirmation. For example, a typical Scovel Schinn piece of advice would be to "spend money like you have lots of it and you will always find more". Her advice is usually accompanied by a "real life" anecdote involving someone following her advice and finding success. Shinn is considered part of the New Thought movement.
