## **Economics for Everyone - 2nd edition: A Short Guide to the Economics of Capitalism** By Jim Stanford

Economics is too important to be left to the economists. This concise and readable book provides non-specialist readers with all the information they need to understand how capitalism works (and how it doesn't).

*Economics for Everyone*, now published in second edition, is an antidote to the abstract and ideological way that economics is normally taught and reported. Key concepts such as finance, competition and wages are explored, and their importance to everyday life is revealed. Stanford answers questions such as "Do workers need capitalists?", "Why does capitalism harm the environment?", and "What really happens on the stock market?"

The book will appeal to those working for a fairer world, and students of social sciences who need to engage with economics. It is illustrated with humorous and educational cartoons by Tony Biddle, and is supported with a comprehensive set of web-based course materials for popular economics courses.

### Editorial Review

#### Review

"Stanford is that rare breed: the teacher who changed your life. He has written a book—both pragmatic and idealistic—with the power to change the world."

(Naomi Klein, author of *This Changes Everything: Capitalism vs. the Climate and No Logo*.)

"Is economics the 'dismal science'? Not in Jim Stanford's capable hands. If we are to have better economic policies in the future, 'everyone' needs a guide, and this one is short but sweet."

(Lars Osberg, Dalhousie University)

"Jim Stanford has provided a highly readable yet rigorous guide to the economics of capitalism. It is to be commended for its comprehensive yet critical coverage--from work to globalization, from the environment to high finance."

(Malcolm Sawyer, University of Leeds)

"Jim Stanford has written a wonderfully accessible and useful book for union activists or anyone else who wants to learn about how the economy works in order to change it."

(Thea Lee, deputy chief of staff, AFL-CIO)

#### About the Author

**Jim Stanford** is economist for Unifor, Canada's largest private-sector trade union and an economics columnist for the *Globe and Mail*.

### Users Review
