John Deere: A History of the Tractor By Randy Leffingwell

In *John Deere: A History of the Tractor*, acclaimed author and photographer Randy Leffingwell uses his unique brand of storytelling to chronicle the company and the machines that have carried the distinctive green and yellow livery. With details gathered from exclusive interviews and access to John Deere company archives, Leffingwell searched out collectors with restored tractors, or those in superb original condition, to illustrate his text with over 300 beautiful color photographs. Includes a number of archival photographs and exclusive never-before-seen drawings and writings from the journals of Theo Brown, head of Deere's Plow Works experimental division from 1916 to 1952, as well as profiles of other key figures in John Deere's history through the last century. For any fan or collector of John Deere tractors or the history of farming in America, this officially-licensed book is a fantastic journey of an icon over 150 years in the making, now available in a quality trade paperback.
