LEGO Architecture: The Visual Guide By Philip Wilkinson

Created in close collaboration with The LEGO Group and Adam Reed Tucker, LEGO® Architecture visionary, LEGO Architecture: The Visual Guide takes a deep look at the artists, builders, and inspiration behind the LEGO Architecture series. Beautifully illustrated and annotated, this visual guide allows you to explore the LEGO team's creative process in building and understand how LEGO artists translated such iconic buildings into these buildable LEGO sets. Stunning images and in-depth exploration of the real buildings like the Guggenheim™ or the Empire State Building, on which the LEGO Architecture series is based, provide you with a comprehensive look at the creation of these intricate sets. Learn why the LEGO team chose certain pieces and what particular challenges they faced. Read about the inspiration behind the creative processes and what designing and building techniques were used on various sets. Featuring profiles of the LEGO artists and builders who created the series and packaged in a sleek protective slipcase, LEGO Architecture: The Visual Guide is the ultimate illustrated tour of the LEGO Architecture series in all its micro-scale detail.
