The Cinderella Makeover: A Suddenly Cinderella Series Book By Hope Tarr

Fashionista Francesca St. James has agreed to work as a "fairy godmother" on the reality TV show *Project Cinderella*, taking contestants from geeky to dreamy. When Francesca's archrival bets she can't transform the awkwardly sweet CEO to hot in under eight weeks, Francesca accepts the challenge.

As CEO of a tech company, Greg may have billions, but what's it worth without a woman to share it with? From day one on the show though, he clashes with his gorgeous fairy godmother-yet off-set, he can't stop thinking about her. But this sexy woman is so far out of his league...and wants to change every single thing about him. It's up to him to show her it's more than clothes that make the man.

May the best man *or geek* win...

4 Stars! "This is the anticipated second book to the Suddenly Cinderella Series, but new readers won't have any trouble jumping into the story. Much like the first book in the series, *The Cinderella Makeover* is an upbeat novel that is heartwarming and funny. The characters are endearing and the dialogue witty." -- Eve Polak for *RT BOOK Reviews*
