The Getaway God: A Sandman Slim Novel By Richard Kadrey

End times are here again

A half-human, half-angel with a bad rep and a worse attitude—we *are* talking about the former Lucifer here—James Stark, aka Sandman Slim, has made a few enemies. None, though, are as fearsome as the vindictive Angra Om Ya—the insatiable, destructive old gods. But their imminent invasion is just one of Stark's problems, as L.A. descends into chaos, and a new evil stalks the city.

No ordinary killer, the man known as St. Nick takes Stark deep into a conspiracy that stretches from Earth to Heaven and Hell. Further complicating matters is that he may be the only person alive who knows how to keep the world from going extinct. He's also Stark's worst enemy—the only man in existence Stark would enjoy killing twice—and one with a direct line to the voracious, ancient gods.

Editorial Review

Review

“Sandman Slim is, by far, the toughest-talking, snappiest, fastest verbal gun of contemporary literature, and his voice is such an unvarnished pleasure that they makes these books into treats without parallel.” (Cory Doctorow on THE GETAWAY GOD)

“Once again, Kadrey shows us why he’s a voice to watch in the sarcastic first person dark urban fantasy genre (aka the First Person Snarker).” (Schulers Books Blog on THE GETAWAY GOD)
