Trouble (Seat of Magic Book 1) By R.J. Price

There has been unrest among the people for over six hundred years. No one recalls what started the fighting, few recall the proper order of events. Everyone feels the effects of the unrest. Short lived queens and weak magic mean that any newcomer is viewed as a rival, that warriors must defend queens they can barely stand in order to protect the common people.

Aren knew when she begged to go that being finished at the palace was dangerous. Every lady is finished at court, no matter her rank or the worth of her title, and it was the opportunity to escape that Aren had been waiting for. Her plan was simple, keep her head down until her eighteenth birthday and then quietly slip away.

Av had spent almost a decade protecting Em, who he knows isn't good for his family or the people. But she's the only one who can hold the throne, a landscape magic which has become absolutely necessary for life to continue. Without a queen sitting the throne the land would fail and the common folk would suffer. With Em on the throne at least, a majority of the people live regular lives.

Despite her best attempts, Aren finds herself in Av's sights after she takes ill. The warrior's response to her is an instinctive reaction Aren hadn't counted on. Aren knows little about warriors, less about magic, and absolutely nothing about the throne.

She should have planned better.

Editorial Review

About the Author

RJ Price lives in Canada where she works and writes full time. When not doing either of those things she attempts to navigate social media and resists the urge to return to writing. She has published novels in the fantasy genre and insists she is also a science fiction author, but has been too caught up in her Seat of Magic series to actually complete a science fiction novel for publishing.

Users Review

From reader reviews:

Mona Savoy:

Why? Because this Trouble (Seat of Magic Book 1) is an unordinary book that the inside of the publication waiting for you to snap it but latter it will zap you with the secret the item inside. Reading this book next to it was fantastic author who else write the book in such wonderful way makes the content interior easier to understand, entertaining method but still convey the meaning totally. So , it is good for you because of not hesitating having this any more or you going to regret it. This amazing book will give you a lot of benefits than the other book have such as help improving your proficiency and your critical thinking way. So , still want to hold up having that book? If I have been you I will go to the guide store hurriedly.

Belinda Ferguson:

Are you kind of stressful person, only have 10 or perhaps 15 minute in your time to upgrading your mind ability or thinking skill possibly analytical thinking? Then you are experiencing problem with the book than can satisfy your short period of time to read it because this time you only find publication that need more time to be learn. Trouble (Seat of Magic Book 1) can be your answer given it can be read by a person who have those short extra time problems.

James Stevens:

Beside this specific Trouble (Seat of Magic Book 1) in your phone, it could possibly give you a way to get more close to the new knowledge or info. The information and the knowledge you are going to got here is fresh through the oven so don't end up being worry if you feel like an aged people live in narrow small town. It is good thing to have Trouble (Seat of Magic Book 1) because this book offers to you readable information. Do you oftentimes have book but you don't get what it's about. Oh come on, that wil happen if you have this with your hand. The Enjoyable option here cannot be questionable, similar to treasuring beautiful island. Use you still want to miss the item? Find this book as well as read it from today!

Keith Reese:

As we know that book is essential thing to add our information for everything. By a reserve we can know everything we really wish for. A book is a range of written, printed, illustrated or maybe blank sheet. Every year seemed to be exactly added. This publication Trouble (Seat of Magic Book 1) was filled about science. Spend your spare time to add your knowledge about your technology competence. Some people has different feel when they reading the book. If you know how big benefit of a book, you can truly feel enjoy to read a guide. In the modern era like today, many ways to get book which you wanted.
