#### **Introduction**

Delightful, joyous, energetic, curious, fun-loving-your preschoolers! These precious three- to five-year-olds can learn so much, especially if they are learning by doing. Wee-Built Bible Town provides age-appropriate, hands-on projects and lessons that will immerse your children in life during biblical times. Helping children connect Jesus' life and culture with their own experiences is a wonderful way to capture children's hearts.

Each of the thirteen lessons is designed to appeal to all of children's learning styles and all of the senses. In each lesson, the children will build a component of a Bible-times village, and at the same time, kids will learn a powerful lesson about Jesus. By the time you have completed all thirteen lessons, you will have transformed your classroom into a complete Bible-town experience and built faith in Jesus. You can do the lessons in any order that works for you.

Preschoolers feel happier and more secure when they have a familiar routine. So we've structured each lesson to include the following elements.

The Foundation-The point of the lesson and the Scripture reference.

The Background-Background information about the aspect of village life that the lesson will cover.

The Tools-A list of the materials you'll need to complete the lesson.

The Excavation-The preparation you'll have to do before the lesson.

The Project-The lesson itself, which is broken down into the following six elements.

\*Ribbon-Cutting-A brief attention-grabbing activity to introduce the lesson.

\*Whistle While You Work-A short song to reinforce the point of the

lesson or to sing with your children while you build the village component.

\*Blueprint-The segment in which children learn the Bible story.

\*Framework-During this activity, the children will help build a component of the village and connect it to the life of Jesus and to the point of the lesson.

\*Builders Banquet-A simple snack that relates to the lesson.

\*Dedication-This is the closing activity that always includes a prayer.

Additions-Other activities and games for you to use as you have time.

Plus, there's a Bible-Town Take-Home Page that you can make copies of for kids to take home. The take-home pages provide fun activities for the children to do at home with their families to help kids remember what they've learned.

Use this resource to provide your preschoolers with an experience they'll never forget and to help them develop a new love and appreciation for Jesus.
