Editorial Review

About the Author

My name is Jessica Jacobs. For years, I have been looking for remedies that treat the most common illnesses which offer no side effects and promote wellness. I prefer using natural remedies that are effective yet safe to use for me and my family. I have discovered that using herbs and plants which are all-natural is the best way. Not only are they potent in curing ailments, they are also very economical and toxin-free. This book is a listing of herbal remedies that I have gathered over the years – most of it I got from research and herbal studies, and others are well-loved family traditions. All remedies in the book are tried and tested, and produce excellent results. Allow me to share with you potent herbal remedies that you can make at home.
