Herd of Cows, Flock of Sheep: Adventures in Collective Nouns (Language Adventures Book) By Rick Walton

What's more fun than a clowder of cats, a rafter of turkeys, a swarm of bees, or a pack of dogs? *Herd of Cows! Flock of Sheep!*—the latest word play from the king of language arts picture books, Rick Walton.

After bringing in his corn, potatoes, beans, and tomatoes before a rainstorm, Farmer Bob decides to settle down for a good night's rest. While he snoozes away, the river rises high enough to set his bed afloat down the river. This sends his animals into a panic—a drove of pigs outlines a plan, a colony of beavers races to chew down trees, a school of fish tries to create a dam, and so forth, until finally Farmer Bob is rescued by a nest of snakes and a herd of horses. It's a barnyard adventure that will leave bands of children begging for more.

Editorial Review

From School Library Journal

Kindergarten-Grade 2-When Farmer Bob, exhausted from days of harvesting, sleeps through the heavy rain and the rising floodwaters, it takes the cooperation of many animals to save him. A cloud of gnats, a rafter of turkeys, herds and flocks, gaggles and packs, swarms and nests are led by a drove of pigs through Plan A, Plan B, and finally on to Plan C, which succeeds in pulling the sleepy farmer from impending disaster. Olson's illustrations flow right along with the story's action. In fact, youngsters will be able to "read" the whole story by following the brightly colored paintings and will find new details with each viewing. Reading this book aloud will create a cacophony of animal sounds that will reverberate throughout the library. Walton has once again had fun with language-this time with "group" vocabulary. An enjoyable selection.-Carolyn Janssen, Children's Learning Center of the Public Library of Cincinnati and Hamilton County, Copyright 2002 Cahners Business Information, Inc.
