### Hola, ¿sexo? (Sexualidad) (Spanish Edition) By Lucía Martín Martín

¿Por qué titular un libro Hola, ¿sexo? Porque estas dos palabras resumen de forma concisa el gran cambio que ha dado la forma de relacionarse en terreno del 2.0.

¿Te casaste en la época del teléfono fijo y te has divorciado en la de Tinder? ¿Has crecido en un mundo de pantallas? Bienvenido a la era de la seducción express. En el nuevo mapa del ligoteo prima la inmediatez y lo fácil, sexo a golpe de pantallazo virtual. En las principales apps y webs de dating no hay sitio para románticos o utópicos que anhelan encontrar su media naranja sino un universo de depredadores sexuales, lobos y lobas que no se andan con rodeos y no tienen tiempo para el cortejo o los prolegómenos. Te pedirán cama sin cita previa y quizás tú no sepas ni cómo actuar.

Lucía Martín nos relata, con mucho humor y sentido irónico, sus experiencias personales y los testimonios reales que ha recogido en más de un año de investigación periodística. Estás ante la guía definitiva para sacar provecho a estas herramientas sin llevarte a engaño.
