Suffrage and Beyond: International Feminist Perspectives From New York University Press

The 1980s and 1990s have seen an unprecedented emphasis on global feminism, on the connectedness of women regardless of race, class, or geography. And yet, the status and position of women throughout the world remains enormously disparate. Even so fundamental an issue as a woman's right to vote has been--and in many countries continues to be--hotly contested. How then have suffrage movements evolved? What are the similarities and differences in the manner in which women, in a range of different economic, religious, and political contexts, have sought the vote?

Bringing together such eminent scholars as Nancy Cott, Ellen Dubois, and Carole Pateman, *Suffrage and Beyond* offers a comprehensive look at the political history of suffrage on a global scale.

Editorial Review

From Library Journal

The editors of this volume, scholars from Australia and New Zealand, provide a fascinating international perspective on woman suffrage. The issues discussed range from "suffrage with a French twist" to gender politics in Japan.

Copyright 1995 Reed Business Information, Inc.

Review

"Saunders has pulled together a rich variety of reflections on conflict and its aftermath."-"London Review of Books",

"War Prose is largely about shock, and contrast: about fear and the contradictory, near-insane lack of fear, because of distraction, busyness; the contrast, also, of a soldier's life (and death) and the lives of upper-class civilians."-"Times Literary Supplement",

From the Back Cover

The 1980s and 1990s have seen an unprecedented emphasis on global feminism, on the connectedness of women regardless of race, class, or geography. And yet, the status and position of women throughout the world remain enormously disparate. Even so fundamental an issue as a woman's right to vote has been--and in many countries continues to be--hotly contested.

Users Review

From reader reviews:

Mary Marshall:

What do you concentrate on book? It is just for students since they're still students or the idea for all people in the world, exactly what the best subject for that? Just you can be answered for that issue above. Every person has diverse personality and hobby per other. Don't to be pushed someone or something that they don't need do that. You must know how great and also important the book Suffrage and Beyond: International Feminist Perspectives. All type of book is it possible to see on many solutions. You can look for the internet solutions or other social media.

Myra Coronado:

The feeling that you get from Suffrage and Beyond: International Feminist Perspectives may be the more deep you looking the information that hide in the words the more you get thinking about reading it. It doesn't mean that this book is hard to understand but Suffrage and Beyond: International Feminist Perspectives giving you enjoyment feeling of reading. The author conveys their point in particular way that can be understood by simply anyone who read that because the author of this book is well-known enough. This kind of book also makes your current vocabulary increase well. Making it easy to understand then can go with

you, both in printed or e-book style are available. We recommend you for having that Suffrage and Beyond: International Feminist Perspectives instantly.

Ladonna Warren:

Reading a guide tends to be new life style within this era globalization. With looking at you can get a lot of information that may give you benefit in your life. Along with book everyone in this world can certainly share their idea. Textbooks can also inspire a lot of people. Plenty of author can inspire their particular reader with their story or even their experience. Not only the storyplot that share in the guides. But also they write about the data about something that you need illustration. How to get the good score toefl, or how to teach your young ones, there are many kinds of book that you can get now. The authors these days always try to improve their proficiency in writing, they also doing some study before they write on their book. One of them is this Suffrage and Beyond: International Feminist Perspectives.

Genia Vanderford:

Would you one of the book lovers? If so, do you ever feeling doubt when you find yourself in the book store? Try and pick one book that you never know the inside because don't ascertain book by its handle may doesn't work at this point is difficult job because you are afraid that the inside maybe not because fantastic as in the outside search likes. Maybe you answer is usually Suffrage and Beyond: International Feminist Perspectives why because the fantastic cover that make you consider in regards to the content will not disappoint you actually. The inside or content is definitely fantastic as the outside or perhaps cover. Your reading sixth sense will directly assist you to pick up this book.
