### **The Boat Electrics Bible: A practical guide to repairs, installations and maintenance on yachts and motorboats** By Andy Johnson

Following in the successful footsteps of the groundbreaking *Boat Maintenance Bible* and *Boat Repair Bible* comes a new title in this popular series of all-encompassing and accessible technical reference bibles that is sure to be the boater's godsend.

Electrics are a notoriously tricky aspect of boat ownership and maintenance. They are both critical to the operation of the yacht or motorboat and prone to breaking down in the damp atmosphere and bouncy conditions. In this book, owners will be taken through all the likely problems and solutions, including making new installations of equipment, reviving an old boat, and correcting electrical faults on their current craft.

Equally useful for yacht or motorboat owners and illustrated with detailed photographs, step-by-step diagrams, and instructions, this is a book every owner should keep aboard.
