### **The Dark Levy: Stories of the Nine Worlds (Ten Tears Chronicles - a dark fantasy action adventure Book 1) By Alaric Longward**

In this epic dark fantasy adventure story, Shannon and Dana visit their wise, old grandmother in Wales, and finally learn why their lives have been strangely tormented and cursed. There is a family secret, old as time itself, and that secret might kill them if they try to ignore their destiny. They also learn that there is a dangerous way to embrace that secret, because on that day, a harrowing creature of an alien world calls out for the few and the special, talented humans of the Tenth world. Our world.

Dana performs an irreversible murderous deed that opens the gate to the Jewel of the Nine, the world of Aldheim, and they meet the strange creature calling for them. In this world they find their true calling, their special talents, the truth of the gods and also a world of mystery, danger, and adversity. Shannon and Dana struggle with their previous relationship as one grows cruel and power-driven, while the other learns to value friendship. Much is demanded of Shannon, who struggles with her loyalties.

Despite the many dangers and their apparently hopeless situation in the brutal, mage-filled world of monsters and dragons, there is hope, for Shannon has special, coveted powers of healing, reserved for the chosen of the gods. If she perseveres, she can change the past and bring back even the gods.

But the price will be great.

"This is masterful weaving of a story that sucks you in to a coming of age urban fantasy. It doesn't feel like any other book I've read this year, and I've read three or four a week." - Amazon Customer.

The Dark Levy, a dark action fantasy novel is a 2015 bestseller and first book in an epic, magical fantasy series called the Ten Tears Chronicles.

From the Author

This book, like **The Beast of the North**, is part of the Stories of the Nine Worlds. It was superbly fun to write and leans heavily towards the old Germanic and Norse mythologies, with a healthy dose of imagination thrown in.

It will feature dark fantasy bits and pieces, there will be brutal battles, we shall see elemental magic and wondrous beasts. There will be twists and betrayal and unexpected resolutions to the hero's problems. If these things appeal to you, you should definitely try it.

About the Author

I am Alaric Longward, a dad, a husband, and a writer. I have studied history, religions, and myths pretty much all my life. I mainly create furious adventure stories within the historical fiction and fantasy genres, though I plan to try my hand in sci-fi and horror as well. I'll do that as soon as I find an alternative dimension, where time stands still. There is just never enough time to get it all done.

The stories can be violent and where some writers like to make the difference between good and evil very clear, my characters are very much flawed human beings. Except in my fantasy stories, of course. There you will have giants and other mythological creatures, but you know what I mean.
